Five games to go. Sheffield United at home, away trips to Newcastle and Southampton, our last home game against Durham and our final day clash with Birmingham. The Women's Championship is heating up. It starts here.

*Last weekend, we made history. 2027 of you in the stands at Hayes Lane, smashing our club's record league attendance and proving – once again – that this club is something special. **From all of us at London City Lionesses: thank you.** Your support is pushing us every step of the way this season, and we're ready to leave it all out there in the final five games.*

On top of the football, there's plenty happening around the ground today. DJ Shalishah Kay is in our new, relocated DJ booth, while our 360-camera is back for another week and ready to capture your best poses in the Family Funzone. It's also Green Football's 'The Great Save' weekend, where you can donate your old football or PE kits to help save kit and protect the game we love.

We've built something special this season, both on the pitch and in the stands. Now, it all comes down to this final push. Five games to go. Two more chances to turn Hayes Lane into a fortress. London City fans, we need you to be loud.

Sam Wright, Programme Editor.
